

PRESS RELEASE

2009-01/03

Berliner Glas reinforces its Technical Glass Division - Ulrich Kriems is the new Head of the Business segment - Monitor & Mobile

Effective February 1, 2009 Ulrich Kriems is directing the Monitor & Mobile business segment for the display market as well as the production site for the Technical Glass Division in Berlin.

Ulrich Kriems has been with Berliner Glas for 17 years and has many years of experience in sales and production of technical glasses. In the last four years he served as head of MEMS Packaging.

In the Monitor & Mobile business segment Berliner Glass manufactures high quality refined glass panels for maximum protection and excellent visibility for the worldwide market leader of notebooks, tablet PCs, handhelds and displays for industrial use.

About Berliner Glas:

With about 950 employees, 480 in Berlin, Berliner Glas is one of the world's leading manufacturer of high quality refined technical glasses as well as precision optical components, modules and systems for information technology, the semiconductor industry, the sensor technology, biotechnology and medicine.
